

### Snowman directions By ma

1. Go to shapes and click circle on the outline size is 21 the color is turquoise it is about 3 inches in diameter.
2. The second circle is the same as #1 except the color is purple and the circle is 2 inches in diameter.
3. The third circle is green and the outline is 21 and is 1 inch in diameter.
4. The next step is putting the arms and the hands what you need to do is click on the pencil icon and the size is 8 the color is brown draw straight for about 1 inch then go up to stamps and click on the regular hand and put it on the line.
5. The next step is the same as #4 but draw a line straight up but a little curvy for 2 inches then go to stamps and click on the peace sign hand and put it on top of the line.
6. This step go to pencil the size is 8 the color is black just click on the head of the snowman for the eyes then draw a line on top of the snowman's head then draw a Lincoln hat.
